**A PROJECT OF THE KENYA HUMAN RIGHTS COMMISSION
(KHRC) IN PARTNERSHIP WITH THE REPRODUCTIVE
HEALTH AND RIGHTS ALLIANCE (RHRA)**

CONCEPT AND RATIONALE BEHIND THE TRIBUNAL

- Situation of abortion in Kenya: leading to the birth of RHRA and the abortion rights tribunal.
- Organizing the tribunal:
 - Significance of the day - June 26;
 - Structure of the tribunal;
 - The testifiers;
 - The judges;
 - The verdict.

FINDINGS OF THE TIRBUNAL

- Abortion has gone underground and become unsafe and unaffordable;
- Kenya's archaic laws continue to have a negative health consequences for women;
- Kenyan abortion law and practice violate standards set by international treaties and treaty bodies.

THE FUTURE

- The 'new' advocacy tool: voice of the survivors of backstreet abortions;
- The rejuvenated voice of the opposition;
- Entrance of mainstream human rights organizations and the impact on the campaign;
- The future: effect of the tribunal on the environment.

Thank You!!!
